

South City Baptist Church exists to help people to come into the Kingdom of God and then to teach, disciple and lead them into a full experience of following Jesus Christ. We will do this within a loving family setting and will encourage, equip and release the people of this church into the ministry that God has given them in the Greerton/Pyes Pa area and beyond.

**PASTOR'S PAGE:**

Each year we take part in the prayer and self denial series which is about being informed about the work of Baptist missions and supporting the work. The target for all Baptist churches together this year is \$500,000.00. Our church normally gives around \$3,000.00

The theme this year is: "The Nets Are Full" based on the account of Jesus sending the disciples out for a catch of fish. Although they complained that they had already tried, they did what He said and brought back an enormous catch of fish .

*Mark 1:16-18 (NIV) <sup>16</sup> As Jesus walked beside the Sea of Galilee, he saw Simon and his brother Andrew casting a net into the lake, for they were fishermen. <sup>17</sup> "Come, follow me," Jesus said, "and I will make you fishers of men." <sup>18</sup> At once they left their nets and followed him.*

And so there is this thought of spreading the nets into the deeper water (in this case the mission fields) to bring in a harvest of men and women for the Kingdom. As we focus on the mission fields let's also be looking how we can be fishers of men and women here in New Zealand too.

Blessings  
Stephen

**NOTICES:**

The church has received a generous IRD rebate but is unable to credit it to a particular giver so that it goes into their next year's records. It remains important that this giving is ascribed to a giver. Please let Stephen or Jenny know.

**Rosters** We are compiling rosters for the next period starting beginning of July We are in need of

- another person for sound
- a drummer
- a couple of data projector operators
- a couple more kitchen helpers

If you are available for any of these positions or would like to make a change to the current rosters please see Stephen .

Thank you for praying for the meeting last Tuesday with the engineers for the Ministry of Education and the local residents of Kennedy Rd. to discuss the plans for the school. This meeting went well and is part of the process of forming relationships with the community and keeping them informed of progress in the area.
